LEXINGTON TRAINERS BUSY

ADVENT OF SPRING BRINGS ACTIVITY TO KENTUCKY ASSOCIATION COURSE.

Ocean Bound Regarded as Best-Appearing Racer in Training in Blue Grass Region-Additions to the Lexington Colony.

Lexington, Ky., March 5.—This locality has had a week of delightful weather and springtime activities have begun at the local race track and on the breeding farms. From daylight until noon the track is nowadays alive with horses, for there are nearly 300 in training here.

It is a bit early to venture any prognostications as to what may or may not be expected of the horses in training here, but it is worth while to know that Woodford Clay's Ocean Bound, the three-year-old brown daughter of Star Shoot and Flying Ship, is the best-appearing and most talked-about racer at the course. As will be remembered, this filly won four of her six starts and \$12,545 in stakes and purses last year. She began by running fourth to Angerona, Calypte and Greenvale in the Fashion Stakes at Belmont Park. Then she won the Criterion Stakes, turning the tables on the three that had previously benien her. At Gravesend she again defeated Greenvale and Calypte in the Astoria Stakes. At Sheepshead Bay she took the Vernal Stakes and at Saratoga the Spinaway Stakes. Her next and last start was in the Hopeful Stakes at Saratoga, August 14. In this race she developed a lameness in her left fore ankle that caused her to run out on the turn and to finish last. She was sent-shortly afterward to the farm near Paris and turned out until about sixty days ago. She wintered splendidly and has not taken a lame step since she has been taken up. Trainer Brooks says there is no doubt that she will stand training again this year, and he expects her to give a good account of herself in the fulfillment of her eastern engagements. Woodford Clay has not seen any of his horses lately, having spent the winter in the south and a pleasant surprise in the matter of their appearance is in store for him on his return. There are fifteen head in the string and they are all in good health and condition. The smartest-appearing two-year-olds of the collection are the sisters to Running Water is the largest two-year-old of either sex on the grounds. She is a chestnut in c

Jockey Heine Radtke, the diminutive brother of Herman Radtke, has reported from his home in Chleago to his contract employer. John O. Keene, and is exercising the horses in the string of seventeen that are to be raced in the name and colors of President Johnson N. Canden of the Kentucky Association this season. Heine is approaching sixteen years of age and weighs about seventy-five pounds. He rode his first winner at Salt Lake City last summer. Trainer Keene, who developed his brother, Herman, says Heine is much more promising than was Herman at the same age.

The good little racer, Boggs, has recovered from a bad case of throat trouble and will be able to race this year, but much later than trainer Keene expected. Boggs is about 150 pounds lighter than he was when he landed here from San Francisco a month ago and it has been necessary to declare him out of the Brooklya and Suburban Handicaps. Boola Boola, the Kentucky Derby candidate in this string, is doing nicely and will be ready to make his initial appearance this year in the Canden Handicap here the first week in May. Trainer Keene, however, has expressed the opinion that this son of Ren Brush and The Mecca, for which Mr. Canden last year refused \$4,000, will be at his best at four and fivevers of age. He is not expecting a great deal of him this year. him this year. The The Camden two-year-olds have

PENSACOLA MEETING TO BEGIN MARCH 19.

Program Book Distributed-Tampa Favorites Fail-Carman Stable to Race at Jamestown.

Carman Stable to Race at Jamestown.

Tampa, Fla., March 5.—With a return of favorable weather and track conditions today there was a corresponding improvement in the sport, which was witnessed and enjoyed by the largest crowd of the week. The defeats of five favorites did not help the layers much, for the reason that all the winners were extensively supported. The favorites that failed included the Schrefber entry in the opening face, The Clown in the second, Sir Ashton in the fourth, Ben Howe in the fifth andd Clysmic in the sixth. Most of these choices failed to be formidable contenders. The opener introduced Newcomer, Chenault, Defier and Captain Hand as first-time starters. Newcomer was the only one of the quartet that did not show greenness and made a spirited bid for the purse, but succumbed to Goodacre in the last few strides. Bucked shins partially accounted for his defeat. Chenault ran promisingly and closed a big gap like a good one.

In the fourth race Sir Ashton went into a fifteeneugths lead during the first balf, but, tiring badly in the final furlong, Tallow Dip won as his rider pleased.

Carsowary landed she purse in the fifth from a fairly good band of sprinters. That former crack, Olseau, made his local debut in this race. He ran fairly well and probably will land a purse before the close of racing here.

Flora Riley surprised the smart set in the closing dash by scoring a success over good sprinters at three-quarters of a mile, supposedly too short a distance for her. Judge Dundon, the only winning favorite, never gave his backers much concern and led for the entire trip.

The program book for the first week of racing at Pensacola was distributed to horsemen today. It announces the opening date as Saturday, March 19, two days earlier than the scheduled time for closing here. With the exception of the first race on opening day all the purses are of \$150 value. The inaugural dash will be for \$200. Five races are carded, but a sixth race will be given daily to suit the horses at hand.

APPROPRIATE NAMES FOR KEENE JUVENILES.

New York, March 5.—James R. Keene has filed with the Jockey Club the names of the two-year-olds bred at Castleton that are to carry his colors the coming season. The Keene names always identify the Keene horses as plainly as possible. County Chairman is an appropriate name for a colt by Voter out of Climax. JOHN, MADDEN BUYS PROMISING FILLY.

Lexington, Ky., March 5.—John E. Madden today bought the two-year-old sister to Running Water and Yankee Girl, by Sir Dixon—Breakwater, by Hindoo, out of Woodford Clay's stable at the Kentucky Association track and transferred her this afternoon to Hamburg Place. The filly was bred by Colonel E. F. Clay at Runnymede Stud. Mr. Madden says the filly greatly resembles Blue Girl, with which he won the Great Filly Stakes of \$2:3.975 in 1901, afterward selling her to William C. Whitney for \$30,000. This resemblance prompted the purchase.

It is Mr. Madden's intention that this filly shall become one of twenty-five marcs that he will send to France a year hence to form a stud to be headed by Ogden. Mr. Madden will ship his string of eight head of racers, the smallest number with which he has begun any racing season in the past fifteen years, from Hamburg Place to Belmont Park on St. Patrick's Day. For ten years Mr. Madden has employed this day for the shipment of his string east from winter quarters. His string for 1910 is made up of the three-year-olds Hampton Court and Bisbop, and six two-year-old fillies by Migraine—Lady Schorr, Plaudit—Mimosa, Ogden—Busy Maid, The Scribe—Flora Pomona, The Scribe—Busy Girl and Sir Dixon—Breakwater. Mr. Madden says that Fitz Herbert will remain in Frank M. Taylor's stable during the racing season. The abbreviation of the Madden stable is due to the fact that he sold all of his colts and a number of his fillies as yearlings last summer to William Garth and R. T. Wilson, Jr., at private sale. The former bought eighteen and the latter twenty.

Matrons of Famous Haggin Establishment Reduce from 475 to 175-Hessian Now in the Stud.

Lexington, Ky., March 5.—Seventeen thoroughbred stallions are making the season of 1910 at James B, Haggin's Elmendorf Farm. Three of the stallions—Galveston, Canopus and Sir Hampton—are the property of John Mackey, who has long been the confidential adviser in matters of the turf to the aged master of Elmendorf. Mr. Mackey, advancing in years and wishing to drop some of the cares of a busy life, decided recently to dispose of his ranch in California, cut down his thoroughbred stud, send his reserves to Kentucky and take un his residence in New York. Accordingly he sold the land near Sacramento to Walter B. Jennings, shipped three stallions and six mares to Elmendorf and before the end of the month will have disposed of all his equine and other holdings in California with the exception of his yearlings and two-year-olds, which are to be sold during the summer at Sheepshead bis stallions and mares shall be permanently located at Elmendorf. He is trying to lease a suitable small farm near this city. The Mackey stallions are to make a public season.

The Haggin stallions for this year are:
Watercress, br. h, 21, by Springfield—Wharfdale, Waterboy, blk, h, 11, by Watercress—Zealandia, Star Ruby, b, h, 18, by Hampton—Ornament. Goldfinch, ch. h, 21, by Ormonde—Thistle.

ord. Hessian, b. h, 5, by Watercress—Colonial. Hessian, b. h, 5, by Watercress—Colonial.

The Elmendorf mares now number 175, Mr. Haggin having sold off 300 head of his matrons during the past two years. Of those remaining about eighty have been selected to be bred in appropriate ratio to Watercress, Waterboy, Star Ruby and Goldfineb. These four celebrated sires will serve no outside mares this season and will be bred as strictly private.

The fees-for the remaining ten stallions have not been definitely fixed as yet by Mr. Haggin, but at the farm it is said that they will probably stand at \$100 each. It is the first season for the young horse, Hessian, which was raced in this country in 1907 and 1908 by A. J. Joyner and was taken to England by him last year. He went wrong on the other side and was sent back to Elmendorf last fall.

SEEK CO-OPERATION OF OWNERS.

New York, March 5.—A committee of the stew-ards of the National Steeplechase and Hunt Asso-ciation has been appointed to investigate the best means to improve and promote the interest in steeplechasing on the metropolitan circuit for the year 1910.

means to improve and promote the interest in steeplechasing on the metropolitan circuit for the year 1910.

To this end, after conference with the president, August Belmont, the Westchester Racing Association has promised to give five steeplechases a week and increase the added money from \$1,000 to \$1,500 in stakes and materially increase the value of overnight purses for the spring meeting, May 13 to 30, upon the written assurances from the owners of the steeplechase stables that they will show their appreciation by making liberal entries and racing their horses. The members of this committee are Henry J. Morris, H. S. Page and Joseph E. Widener. They have written a letter to the owners of steeplechase horses in this country and in Canada, urging their co-operation with the Westchester Association in its effort to improve cross-country racing. The substance of the National Steeplechase and Hunt Association committee's appeal to horsemen to support the Belmont Park proposition is as follows: "Will you give us your assurance to support our efforts to re-establish steeplechasing on the metropolitan circuit by sending your horses and doing your best to fill the races we propose to put on? Please let us know the number of horses you have in training. On the success of steeplechasing at Belmont Park depends the action of the other associations and we earnestly request your warm support."

FLORIDA LAW TO BE TESTED

MANAGER BROWN AND FIVE BOOKMAKERS ARRESTED AT MONCREIF PARK.

Action Follows Developments in Case of Mrs. Gilmore -Cases to Come Up in Court After Close of Present Jacksonville Meeting.

Jacksonville, Fla., March 5.—Quite a stir was occasioned among race-goers here today when it was learned that five of the Moncreif Park layers and General Manager H. D. Brown had been arrested on the charge of violating the anti-gambling laws. The arrests grew out of the trial of Mrs. Laura Gilmore, charged with libelling the management of the Florida Live Stock and Agricultural State Fair Association, and as a direct result of the argument made in her defense by attorney N. P. Bryan, who alleged that betting was being illegally carried on by the association.

ciation.

Five informations of four counts each were filed in the Criminal Court this morning by County Solicitor Dewitt T. Gray. The five warrants were exactly the same in phraseology except that each count contains the name of one party engaged in bookmaking at Moncreif. Each is against H. D. Brown, general manager of the association, the association itself, and one bookmaker. The five bookmakers involved are R. A. Kennedy, J. C. Coburn, Lee Wagner, Charles Walters and I. Hammerschlag. Each was required to furnish \$800 bail for appearance in the Criminal Court during the spring term which opens on the fourth Tuesday in April. The prosecution will not interfere with the present meeting.

Surprises came frequently at Moncreif Park this afternoon, the chief upsets being the failures of Master John in the two-year-old dash and of Charlie Eastman in the Everett Hotel Handicap. Both were odds-on favorites. Master John was left at the post in his race, while Charlie Eastman found the task of shouldering 126 pounds and racing Eyebright into submission, in the early stages too taxing a task. F. J. Pons' Font won the handicap in a canter, his margin over the favorite being six lengths. Obert reserved Font in the early stages and delayed making his move until well around the far turn. When he went for the leaders, he found but little opposition. Charlie Eastman and Eyebright being tired horses after they had gone half a mile. Jane Swift and Mystifier were successful favorites.

Fred Cook and Charlie Bowman joined the ranks of the layers at Moncreif Park this afternoon for the first time.

BUBBLING WATER WINS OAKLAND FEATURE.

San Francisco, Cal., March 5.—Bubbling Water beat some of the best horses in local training when she won the Piedmont Handicap, the feature of today's Oakland card. The filly was practically neglected in the betting, Righteasy ruling favorite, with Fort Johnson next in demand. Bubbling Water got away in front and set the early pace. Then Martin allowed Silver Knight and Jim Gaffney to pass his mount, but when called upon, the filly responded gamely and finally drew away to win from Silver Knight. Fort Johnson got up to be third. Righteasy was away in a tangle and failed to cut any figure.

Knight. Fort Johnson got up to be third. Right-easy was away in a tangle and failed to cut any figure.

Fine weather favored the racing, and the attendance was large. Favorites won three races. Rey Hindoo was plunged on to win the last race, but was never very prominent, and Likely Dieudonne proved the winner.

Novgord got caught in the barrier in the third and Elizabeth Harwood got away so badly that she was never in the running. Thistie Belle was bid up from \$500 to \$600 by Guy Gray and Rapid Water was claimed by Allen & Hensley for \$800.

Walter Jennings has leased Miss Toddie and Indian Star to J. Givens. Chitterlings has been sold to C. Nurzell.

Starter Dwyer, who was held at Battle Mountain, Nev., on a delayed train, returned here today and decided not to go to Salt Lake by the Portland route.

George W. Berry has engaged jockey Keogh to

URGING AID FOR BREEDING INDUSTRY.

Horse breeding is being urged in England for military remounts and the following from the London Sportsman of recent date is of interest:

"At a meeting of the special committee of the Hunters' Improvement Society on Wednesday, Mr. Homer Williams presiding, Viscount Valentia, M. Homer Williams presiding, Viscount Valentia, M. P., president of the Polo and Riding Pony Society, reported the willingness of his council to co-operate with the society in bringing to the notice of the government the danger to the country arising from the dearth of light horses suitable for military remounts. The offer was accepted, and Viscount Valentia was added to the sub-committee, which is to submit to the hunter council a detailed scheme for giving effect to the proposals adopted on February 10 by the broodmare committee. These proposals amount to a demand for a government grant to encourage horse breeding as is done by other countries, The sub-committee will meet early to arrange for taking the evidence of breeders, or inviting suggestions. Meantime the members of both lords and commons are to be supplied with copies of the report of the broodmare committee, emphasizing the need for immediate national action, and the secretary is to report on the way in which the grant asked from the government should be allotted."

"BEAT THE RACES."

"Why don't you" send for my "Sure Shot Method" and "Make Money"? Hundreds of men all over the "U. S." and "Canada" are doing it "Why not you"! Do you think you are saving 55 by not sending for my method? The fact is "you are losing" hundreds of dollars by not using it. Your "Money Back" if you don't find my method "A Sure Winner" and exactly as represented. It's the "Simplest"—yet the "Greatest" Winning System ever discovered. I show you how to pick a safe "One Best Bet" from the "Entries" every day in a minute, and you "Cash" nearly every bet you make and at good prices.
